WELCOME

Rev. Read Sherman

"But those who wait on the Lord, shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint." - Isaiah 40:31

Dear Friends:

I write to you in gratitude at all God has been accomplishing through you and through our community in 2022!

In a year when so many of you could have grown weary what with the continuing drag of the COVID pandemic years, and the ups and downs you've faced in your personal, volunteer and professional lives (not to mention that your minister was on sabbatical in the last quarter of the year!) you somehow managed to keep going, to find renewal and strength such that Trinity could keep moving forward. Bravo!

Such dedication always amazes me, and makes me wonder "Why do we do what we do?" Is it for the glory that accrues to the self, making you feel good? Is it for the power to influence decisions, to pull things in your own way? God knows we all want and need to feel good about the contributions we make and to know we are valued for who we are and what we offer. God

even wants us to learn to use whatever power or authority we may have - for the common good - rather than cling to it as something somehow rightfully owing. For we know that in our United Church way of being church, it's not having power "over" others that is faithful; it is having power "with" others, supported by mutual trust and accountability, that is Christ's way. We want to do what we do in ways that uplift and encourage others. It is by sound judgment, communicating in open and inclusive ways that we bring each other along on the journey that is church. To me, that is the best reason to "do what we do," and it is what I have seen so many of you striving to do. Despite the weariness. Despite the extra work that came to so many during the four months I was away. You gave your all, and the results show (read on in the Annual Report to marvel at all the things God has been doing among you!). Bravo!

In past years I've attempted to thank the individuals by name who form all our leadership teams - Council, Trustees, Ministry Team Leaders and volunteers, Finance, Collection & Envelope Steward/PAR Secretary volunteers, Sunday School & VBS, FFF group, Living Room and Prayer Group, Choir, Congregational Meeting leaders, Regional Representatives and our devoted staff.

This year I thank you again – especially for all you did during my absence. God knows each of your names – the recognition that really matters! Thank you for giving of yourself and working with others for God’s glory and the encouragement to faith that comes by serving God’s people. It isn’t always easy. Bravo!

2022 continued to deepen our “new normal” in terms of being a Hybrid Community of Faith. Almost everything we do is now a combination of “in-person” and “online.” The commitment to make this possible and the tech-savvy people who help (at both Trinity and Anjou) Sunday by Sunday is a cause for special thanks to God! Bravo!

Finally, to each of our members and friends, you are the reason we do what we do and I do what I do! You who worship each Sunday (whether online or in person!). You who aren’t able to attend regularly but still remain part of who we are as Christ’s church, giving of yourselves in so many ways – including financially. We could not be who God is helping us be without your encouragement, prayers and support! You who perform so many acts of kindness towards each other, people and creatures in need, among neighbours, friends and strangers. Bravo!

Isaiah speaks about how those who “wait on the Lord” will flourish despite the setbacks and obstacles life can put in front of us.

By that I believe the prophet means relying on God to wait with us, to be patient with us, as we “share and grow in God’s love.” While we wait, we work together to the best of our ability, we make mistakes and ask for pardon, we cultivate compassion for ourselves and those around us. We can dream too – of the people and church God is yet calling us to be in 2023. Thank you, God!

As God calls you – and us all – into a new year, let us give thanks for all the ways God has stayed with us on the journey in 2022. In Christian community we have each other to look to when we need a lift, even as on eagles’ wings, to help us when we might be feeling faint and unable to walk, let alone run. As we soar on God’s wings, may our spirits grow bright!

In Christ’s joy and peace!

TRINITY GOVERNANCE

In 2019, our church officially moved from an Official Board governance model to the more widely-used Council model. Under this model, Council meets regularly (often weekly) to set the broad leadership strokes for the church's direction. From there, the Ministry Leaders work with their ministries to set projects and activities in motion.

MINISTRIES

5

Worship

Ministry Leader: Heather Purcell

Perhaps our biggest challenge of 2022 was replacing Read during his sabbatical. With thanks to Heather Purcell and the Worship Ministry Team, along with Council and our friends at Anjou United, 20 worship services were held, including special services like Blue Christmas and Christmas Eve. Special appreciation to our theology students, Jean-Philippe Dubé-Goupil and Erika Leung, who both planned and led four worship services each. Also thanks to Philip Massarelli, Mikayla-Aimee and Rev. Stéphane Vermette for leading us in worship, and Rev. Jan Jorgensen, Rev. Bill Jay and Murtee Taigbailee who led worship services held at Anjou United. (Submitted by Gary Tompkins)

Congregational Life

Ministry Leader: David Garland

Throughout the year, many of us gathered for "Living Room" discussion on Zoom and Prayer Group every week. During the summer we shared worship with friends from Hudson and Mount Royal United Churches. And before his sabbatical, we were blessed with meaningful worship led by Read. (Submitted by Gary Tompkins)

Friends, Food, and Fun is a new weekly social group. It was launched in May 2022 to bring members of the Trinity community together in person, breaking the pandemic-generated isolation. While the group is open to all ages, the majority of those who attended are senior citizens.

Each meeting included both a stimulating activity and a light lunch. Activities were either physical activities, such as beanbag toss; or sit-down activities, such as bingo or handicrafts. Where appropriate, some meetings are offered in hybrid format. There was a monthly outing to a bowling alley, and there were offsite visits to members' homes and the Botanical Gardens. (Submitted by Rosemary Warren)

Media

Ministry Leader: Mikayla-Aimee

Our Media Ministry Team, led by Mikayla-Aimee, not only enhanced our worship in the sanctuary, but made professional quality video and audio available to many on Zoom and YouTube each week. (Submitted by Gary Tompkins)

Christian Development

Ministry Leader: Veronica Heffernan

This year started off on an uncertain note: do we go back to Sunday School in-person for our younger students or do we remain online for our older students? Can we do both? In the end, we opted to go back in-person, realizing that the experience is much richer for both younger and older students when we gather together in the Sunday School.

We worshipped every Sunday in “big church”, taking advantage of the new format for Moment for All Ages, where discussion groups happened in the sanctuary. The last Sunday of every month, we held our own Messy Church.

On Easter Sunday, the Memorial Hall was packed with youth and young adults, as we celebrated both Easter and a baptism!

Four of our young people were confirmed in June (Sarah, Aidan, Christy, and Candace).

For three weeks in July, our church became the headquarters for the International Spy Academy - our VBS! Again, it was well attended with an

average of 15 campers per day. We even welcomed back some growing Trinity friends we haven't seen since pre-COVID days and met an Anjou friend in person for the first time! Veronica and Sheri lead the camp, while teens Sarah and J'Nell took on leadership roles for the first time.

In September we held our back-to-school bash, with was a small but grateful group.

Our youth put together the Thanksgiving display for our sanctuary, and then donated the food to a food bank.

In December we raised \$900 for the Best Gift Fund (thanks to many generous donations!), had a Dough Holy Night cookie afternoon, read the candle lightings every Sunday during Advent, and led the whole worship service on the third Sunday of Advent!

All in all, 2022 was a good year for us!

Mission & Outreach

Ministry Leader: Judy Ciciola

Although officially the Mission & Outreach Ministry has nothing to report, once again our VBS has been a positive outreach for our church, and has even helped to grow our Sunday School, one heart at a time. (Submitted by Sheri Cameron)

Fund Development

Ministry Leader: Diane Best

I was approached by Crave TV asking to rent the Church for a documentary (Chantal Daigle) Movie.

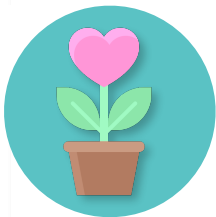

- August 2022 (Church Rental) \$ 17,000.00
- September 2022 (Sanctuary Rental) for Wedding \$550.00
- September 2022 (Birthday Party) \$300.00
- September 2022 Bank Manager (Desjardins) Mr. G. Kulycky contacted Christine (good friend of hers) asking to rent the kitchen
- food preparation for Ukrainian Festival. Christine contacted Philip for permission. \$200.00 was given by Mr. Kulycky.

Long term rental of the Sanctuary by Methodist Church.

I am proud to say money I raised for Trinity United Church (Total : 18,050.00)
(Submitted by Ashley Verhaeghe)

The Fund Development Ministry also worked on several events within the church community:

- Easter Breakfast
- Bazaar
- Breakfast with Santa

Membership & Pastoral Care

Ministry Leader: Mikayla-Aimee

Nothing to report.

Buildings & Grounds

Ministry Leader: Norman Doré

This year there were several projects completed:

- Urgent repairs to the concrete in the front of the church were done after it was found that the cracks in it were causing water ingress into the building foundation and into the den.
- A mural was painted by a local artist on the wall in the laneway behind the church.
- Lights over the choir and the side light at the 8th Ave exit were repaired.
- Repairs were also done to the fire alarm system and to the furnace
- The new countertop and sink were installed into the kitchen

Ongoing work includes upkeep of the grass, repairs to leaky faucets and other regular maintenance around the church.

- Projects that are being proposed for the coming year include:
- Repairing the kitchen cupboards and repainting them
- Painting the fire escape this summer
- Planting new rose bushes and or other plants to rebuild the Michael Monaco Garden
- Putting down soil and new grass or clover ground cover in the church yard
- Getting new or gently used tables and chairs to replace the broken ones in the gym

To keep down the cost of fixing up the kitchen, we would like to have some volunteers come out to help. Improvements to the kitchen will not only make it nicer for our congregation to use, but also give us better rental potential. We estimate that this project would take 3-4 days and that volunteers can come for 1 or more days. We can work out the schedule to do the work once we know the availability of the volunteers.

We are looking for a couple of volunteers with green thumbs to spend a couple hours helping replant the Michael Monaco Garden this spring.

Thank you to Ashley for all his work around the church to keep things working and to Christine and to John Brosseau and John Bridgman for their contributions. All their work is vital to keeping our church going.

Norman Doré, on behalf of the Buildings and Grounds Ministry

Regional Council Rep: Ivylin Scott

After many years of service as the regional council executive minister, Reverend Rosemary Lambie retired October 31st 2022. Also retired, Beverly Anderson-Levine (Archivist). A celebration was held in person and on Zoom to honour their service. They will be surely missed.

Reverend Éric Hébert-Daly was appointed to replace her starting January 2023. He has served in the french ministries since 2018 and was ordained in 2020.

At the November meeting, Fred Braman spoke about Bill 96 and the changes it could bring to the province. There was also concern about people with disabilities in the United Churches. It is very important that the churches are accessible and functional for everyone.

LLW: Licensed Lay worship leader.

After due research and consultation with legal counsel of the UCC, the Office of Vocation regarding policy for ordered ministers as well as Corrections Canada, a series of guidelines were recommended to the Executive, approved there and presented for information at the recent Regional Council meeting. These recommended changes set out a process for licensing of an individual who has turned they life around and would now be a valuable member of our LLWL's, regardless of whether or not they were able to obtain a pardon. (Note: to enter ordered ministry a person must qualify for and receive a pardon.)

Your feedback is welcomed.

If you are interested in further conversation about this proposal, please contact Rev. Dave Lambie, member of the Pastoral Relations team, who will also collect comments to share with the LLWL Leadership Team and the Executive.

Philip Massarelli said that Trinity is using less cheques and is moving to online payments and direct deposits. Docusign is being used when it comes to retrieving the two signatures required for payments.

Charles Dougherty asked why there is a deficit. Philip Massarelli said that there have been at least 30 years of deficits. Philip Massarelli mentioned that we are still running as

a church because of the donations made by those who have passed away, the amalgamation with Saint George's and the sale of their building.

Julia Budd mentioned that there are some restrictions on some of the funds. Philip Massarelli mentioned that some of those funds were invested and the interest on those funds were being used.

Carol Cunningham asked where the endowments were coming from. Philip Massarelli mentioned that Judy Massarelli and Gail Purcell had made donations upon their passing.

Philip Massarelli explained the consolidated budget and comparisons between 2019, 2020, 2021 actuals and the proposed budget for 2022.

Julia Budd mentioned that Trinity has been close to closing for a long time, but Trinity has always maintained that the people and community come first.

Beverly Bridgman said that in every other year for the Mission and Service budget, there were fundraisers. However, they put the budget for this year lower rather than higher so that it looks better when it is exceeded.

Giceline Beaudet and Eric Garçeau mentioned that if we could add more to our donations, we could help reduce the deficit.

Shirley Cartmill asked that if someone bought something for the church, would they need approval, or can they buy the item and be reimbursed. Philip Massarelli said that's why we have a budget and that each group should be getting together and identifying what they need for the year.

Julia Budd asked that if we do not own the building, what would happen with the funds from the sale of the building. Philip Massarelli said that since we are a part of a Regional Council, we would need the approval from Regional Council and it would be up for negotiations for the distribution of funds and assets.
